

Photography artwork submission procedures and specifications:

Thank you for your interest in *Swimming World Magazine*. We gladly accept photography and artwork throughout the year for our magazine. We are always interested in reviewing new material and we welcome the opportunity to see your work. All subjects should be centered around a swimming theme to complement the content as well as to benefit the experience of our readers.

The following are general guidelines for photography/artwork submissions:

Acceptable Preview Formats:

Digital File: 72 - 150 dpi Low Resolution JPG

This format is for quick e-mail preview purposes only

photos@swiminfowire.com

We will contact you to request FINAL Formats

Acceptable Final Formats:

Digital File: 300 dpi High Resolution TIF

High Resolution Copy of Original Slide/Transparency

— sent to Swimming World Magazine to scan in

High Resolution Copy/Printout of Original Photo/Artwork

— sent to Swimming World Magazine to scan in

Submit the copies of your work or digital files saved to CD Rom or DVD via Mail or FTP site.

- Photography and Artwork that do not follow these guidelines may be returned at the discretion of the publisher.
- If you would like your submissions returned, please include a self-addressed, stamped envelope with proper postage. Due to the volume of submissions received we cannot return work submitted without return postage.
- Please avoid sending your original photography or artwork. Though great care is given to all submitted works, we cannot be held responsible for any loss or damage resulting from any act on our part or on the part of others for any material submission.
