

ABOUT SPORTS PUBLICATIONS INTERNATIONAL

Sports Publications International has been known as the most recognizable voice of swimming for almost a half a century. *Swimming World Magazine*, the first of a now growing family of products developed by Sports Publications International, was first published in January of 1960 and has been in continuous publication ever since.

Publishing is the core business of Sports Publications International and the staff prides itself in being the world's leading independent resource for swimming news. This is illustrated through their commitment to bring the swimming community breaking news coverage from around the world.

Other products developed by Sports Publications International include:

Swimming Technique, first published in 1963
SWIM Magazine, first published in January of 1985
SwimmingWorldMagazine.com, launched in July of 1996
SwimInfoWire, launched August of 2004
SwimmingWorld.TV, launched January 2006
Swimming World Radio launched November 2006

Many of Sports Publications' mediums serve as official publications of national governing bodies in addition to receiving recognition for excellence.

***SwimmingWorldMagazine.com* recognized by:**

PC Magazine as being part of their "Best of the Internet" as the #1 Swimming Website.

***Swimming World Magazine* is endorsed by:**

American Swim Coaches Association (ASCA) and Australian Swim Coaches and Teachers Association (ASCTA)

***Swimming World Magazine* is the official publication for:**

College Swimming Coaches Association of America (CSCAA)
National Interscholastic Swimming Coaches Association of America (NISCA)
United States Swim School Association (USSSA)

For More Information Call 1-800-511-3029

ABOUT THE MAGAZINE

First published in January of 1960, *Swimming World Magazine* is the premier swimming magazine in the World and is endorsed by American Swimming Coaches Association (ASCA) and the Australian Swim Coaches and Teachers Association (ASCTA)

Swimming World Magazine is the Official Publication of:

- College Swim Coaches Association of America (CSCAA)
- National Interscholastic Swim Coaches Association (NISCA)
- United States Swim School Association

Designed and written not only for both competitive and fitness swimmers, but also parents, coaches and swimming enthusiasts, *Swimming World Magazine* provides the latest swimming news worldwide. Each issue features content within four sections: Swimming World, Swimming Technique, SWIM and Junior Swimmer. Monthly content includes; Coaching & Personalities, Technique Tips, High School and YMCA coverage, Worldwide Swimming Coverage, Coach Interviews, Technique and Training Drills, Race Strategies, Health Waves, Masters Stories, Workouts, N.A.G. Record Setters, Swimmers of the Month and Results.

Monthly print runs are up to 50,000, with pass-along readership measuring at 4.16 readers per issue totaling 208,000.

THE MAGAZINE LAYOUT AND FEATURES

Swimming World Magazine presents complete national and international coverage of competitive aquatic sports, including open water, diving, synchro and water polo. This includes meet results, records and personality features for age group, high school, and college athletes. Correspondents from *Swimming World Magazine* provide on-site coverage of: The Olympics, World Championships, Pan Pacific Games, Pan American Games, Goodwill Games, European Championships, USS International Team Selection, NCAA Championships, Senior Nationals, Junior Nationals, Sectional Meets, YMCA Nationals, High School Championships and Age Group Championships.

Featured as a section within the magazine, *Swimming Technique*, offers intriguing columns and features written by top professionals within the coaching community. *Swimming Technique* provides the swimming community with thought provoking and cutting-edge information that is pertinent to the technical training of athletes and the day-to-day management of a successful swimming program.

The *SWIM* section focuses on helping enhance the readers' quality of life through incorporating swimming into the lifestyle. Topics are relevant to any adult swimmer ranging from the twice-a-week fitness swimmer to the nationally ranked competitor. Features encourage and reinforce a lifestyle in which overall fitness is a major priority.

Swimming World Magazine articles are written by top journalists and swimming experts, *Swimming World Magazine* focuses on in-depth interviews with athletes and coaches. The latest coverage of High School, Club, College and World Class events; and connects generations of swimmers around the world through a sometimes retrospective look at the sport.

Features within the *Swimming Technique* section develop content from interviews with top national and international coaches. Reporters investigate training philosophies and how they are integrated into a successful swimming programs, seen within "Coach Interviews". Other articles focus on many technique related topics including the science behind the sport, exercise physiology, biomechanical innovations and dryland training.

The *SWIM* section hones in all aspects of fitness and how it applies to swimming. Realizing that swimming and fitness are lifestyle choices, editorial staff focuses on topics that are specific to all levels of adult swimmers. Those who enjoy fitness swimming, to swimmers who swim regularly in competitions and other athletic events find value in these articles. Articles focus on dryland training, open water and triathlete workouts, technique tips and nutrition.

"Your organization is THE VOICE of swimming. I have been a subscriber since the sixties and always will.

Thanks for doing what you do!" ~ Dave Smalley

Regular Material

Voice for the Sport

Leading authorities and experts from around the world contribute personal commentaries to keep the swimming community updated on current swimming issues. Whether the subject matter is opinionated, discussion oriented or simply a presentation of the facts, the topics are sure to spark interest and debate.

Embedded TV, Audio & Commercials

Digital downloads of the magazine are often embedded with exclusive Swimming World video interviews, stories and advertisements that enrich the print component and allow advertisers to further their message

Annual Features

Every year our readers look forward to issues that include Year in Review (January), Masters Swimmer of the Year (April), NCAA Preview & Review (March/May), High School Swimmer of the Year (July), High School Team of the Year (September) and Athletes of the Year (December). USA and YMCA Nationals appear twice a year (spring and fall).

Tips on Technique

"Tips on Technique" provides a pictorial reference tip on specific stages throughout each stroke, both under and above water.

Lane 9 & Guttertalk

Focuses on news within the sport ranging from coaching hires, swimming honors, personal accomplishments, recruiting and much more.

Health Waves—The Active Lifestyle

Short snippets within the SWIM section of the magazine highlighting information and news that promotes an active and healthy life.

How I Coach

Coaches from around the world share their coaching philosophy and sample workouts with their readers.

E-Roundtable and Q&A Discussions

A periodic feature that involves swimmers from all over discussing their view on topics such as Training on the Road and Overcoming Obstacles to Training.

For the Record

Results highlighting national, international and age group meets from around the world.

Calendar

Competitions from around the world and across the country for the young and the young at heart.

"Every swimmer on COPS receives Swimming World Magazine. Swimming World is a wonderful way to keep the membership educated and inspired."

Steve Mateer, Head Coach
City of Plano Swimmers,
Plano, Texas

SEASONAL DIRECTORIES AND GUIDES

Seasonal directories and guides have allowed advertisers of consumer goods, camps and prep schools to highlight their products, services and institutions to the swimming community. These additions are offered during key promotional times within the marketing and advertising cycle for each client. All directories and guides are available as PDF downloads at SwimmingWorldMagazine.com. *Swimming World Magazine* has been a key player in advertisers' annual communication strategies and plans.

Aquatic Directory

April Issue

Considered the "yellow pages" of the aquatic community, the aquatic directory insert includes the most up-to-date information on where to purchase swimming products.

Holiday Gift Guide

October, November and December Issues

The Holiday Gift Guide features great gift ideas for swimmers, coaches, parents and officials.

Prep School Guide

October Issue

This insert highlights the top prep schools in the country that excel in both academics and athletics, ultimately influencing parents and children's decisions in choosing a high school preparatory program.

Swim Camp Guide

February and March Issues

The Swim Camp Guide displays the most comprehensive listing of swim camps offered throughout the nation; swimmers, parents and coaches often use this guide to research which camps are offered throughout the country.

"Throughout the years, Mercersburg Academy has developed 21 Olympian swimmers. Advertising in Swimming World Magazine has helped Mercersburg communicate its strong tradition of swimming excellence to potential students—high school aged athletes whose lives are centered around the competitive realm of swimming."

Pete Williams, Aquatic Director
Mercersburg Academy
Mercersburg, Pennsylvania

Hotel Revenue <i>Based on 1,850 people for six days</i>	\$333,000
Airfare <i>Based on an average of \$160/person</i>	\$296,000
Rental Car Revenue <i>Based on 337 vehicles rented for six days</i>	\$101,250
Other Revenue <i>Includes food, beverage, souvenirs, entertainment and other miscellaneous purchases.</i>	\$330,000
Total Economic Impact/Meet <i>Expenses may be adjusted to more closely represent costs in different cities.</i>	\$1,060,250

UNIQUE ADVERTISING OPTIONS WITHIN SWIMMING WORLD MAGAZINE

Sports Publications International knows that advertisers sometimes have a need to bring additional attention to new products being launched or just want to stand out more than others within the magazine. Listed below are some of the ideas and printing capabilities that exist to all advertisers within the publication. Please let your account executive know if any of these are appealing and more information and a formal pricing schedule can be provided. Additionally, some of these options will require more time for magazine production and need to allow for more upfront layout time.

Embedding Digital Media Options

- Audio
- Video

Tipping Options

- Tipping a specialty or standard insert to a page
- Tipping to a cover
- Tipping a "post-it note"
- Tipping CD's
- Tipping product samples (needs to be reviewed)

Bind-in Options

- Standard cards/inserts (3x5, 4x6 etc.)
- Inserts with full-page advertisement
- Product samples (needs a carrier)

Gatefold & Cover Options

- Standard 4 & 6 page gate
- 8 page gate
- Barn-door/French gate
- Internal gate (needs to be bind-in, center as SS bond magazine.)
- Short Covers
- Belly-band type covers (typically done for shows or non-mail distribution)
- Coverwraps
- General folding
- Tabbing

Ink-Jet Messaging

- Custom messages on cover
- Graphics e.g. logos
- Custom poly with ink jetting message
- Selective or demographic binding

Ink-jetting needs to be reviewed prior to final approval due to USPS requirements and possible equipment limitations.

Miscellaneous

- Dot-whacking "Attention Grabber Stickers"
 - Blow-in cards, Poly-bagging, Insert Tabbing, Pop-ups, Die-cutting
- Poly-bagging needs to be reviewed prior to final approval due to USPS requirements. Two samples of the insert of mock-up will be needed for review with printer.*

What They are Saying About Us

"SwimmingWorldMagazine.com included pictures of the swimmers after their races. It's nice to see what they look like. Also, the writers are animated and full of energy... I almost wish they would write longer articles. I have been using the Trial Preview: Ecstasy/ Agony 'Tip Sheet' to follow the trials. Well written and presented."

"I really like the direction of *SwimmingWorldMagazine.com* and the unbiased coverage of swimming events/news/results at all levels (including Masters)."

"Really super coverage of the sport! Because of *SwimmingWorldMagazine.com* I am much better informed of what is happening in swimming than I have ever been."

ABOUT THE .TV WEBSITE

Sports Publications International recently launched a dedicated URL called SwimmingWorld.TV on September 10, 2009.

Designed and created to add to the way viewers gain information and interact with aquatic sports, SwimmingWorld.TV features entertaining shows, interviews and events related to all levels within the aquatic community. *Streamline News* and *The Morning Swim Show* are just two examples that post on a daily basis bringing headlines to life from around the globe.

Our audience is growing daily as we market this site with all of Sports Publications International's proven resources. We are offering introductory rates and are confident that our statistics will prove this to be a valuable advertising vehicle.

GET IN ON THE GROUND FLOOR NOW!

Electronic Specifications for Website Advertising

Banners are available on a first come first serve basis and the first right of refusal will be given to those clients who have current banners on the website.

Top Banner Dimensions	728 pixels wide by 90 pixels high
Skyscraper Side Banner Dimensions	160 pixels wide by 600 pixels high
Block Ad Dimensions	300 pixels wide by 250 pixels high
Button Dimensions	120 pixels wide by 120 pixels high
Aquatic Directory Dimensions	158 pixels wide by 328 pixels high
File Format	GIF (.gif), JPG (.jpg) All graphics need to be 72dpi for maximum efficiency and quality on the website. Animated .gif files must complete their animated cycle in 12 seconds.
File Size	The focus on building all files should be on the dimensions of the banners and buttons rather than the size of the file.
MPG Files	MPG (.mpg) video files are available as infomercials through <i>SwimmingWorld.TV</i> for our SwimBiz Channel. Files should be no more than :45 seconds in length. If this is of interest, please discuss with your Account Executive, who will communicate pricing and availability.
Hyperlink	Please indicate the connecting URL/http address upon sending banner
Materials Deadline	Two weeks prior to first month of being posted. i.e. May Posting, art due April 15 th
Send To	Advertising@SwimmingWorldMagazine.com or your Account Executive.
Posting Time	Banners will begin on the first day of the month and will be taken off on the last day of the month as indicated on the contract. Please work out any midmonth postings with your account executive, these are only available if space permits.
